

GROUNDS CREW

Position Summary:

The grounds crew team members at the golf course perform daily routine maintenance of the golf course including but not limited to; operating small walk-behind and riding mowing equipment, raking bunkers, landscaping, and construction projects, use of hand tools related to maintenance, and occasional operation of tractors and loaders.

This position has a flexible work schedule and the pay is DOE (depending on experience).

Job Duties:

- Daily course set-up including walk mowing greens and tees, raking bunkers, setting tee markers, mowing fairways & roughs, cutting cups, hand watering, and sweeping cart paths.
- Assisting crew members in the application of fertilizers and chemical applications under supervision of a licensed applicator.
- Maintain a professional appearance and attitude while working around members and guests.
- Helping maintain fuel and fluid levels in all types of equipment on a daily basis and assisting the equipment manager in observing any mechanical issues related to the equipment.
- Assisting with a variety of projects on the golf course related to construction including drainage installation, silt fence installation and maintenance, erosion matting, hydro-seeding, laying or hand watering new sod, seeding greens or tees, leveling irrigation heads, and bunker maintenance.
- Grounds crew members will learn to understand expected golf course conditions and will report to their supervisor of any potential problems.
- Reporting to work on time and prepared for all weather conditions.

Qualifications: *

- General understanding of the game of golf preferred.
- Safely operate hand tools and power equipment related to maintenance of the golf course.
- Perform daily responsibilities on the course in all weather conditions.
- Ability to work individually and as a team with other grounds crew members.
- Follow written and oral directions from supervisor/manager.
- Ability to understand Material Safety Data Sheets and other safety instructions.
- Possession of a valid drivers license preferred.

Physical Demands: *

- Ability to push, pull, squat, stoop, reach overhead, bend.
- Ability to lift 50 lbs. on a regular basis.
- Ability to walk, sit or stand for extended periods.
